At Ruskin Park Primary School we celebrate the efforts of our students by mentioning their participation in school events and their achievement in our school newsletter. Occasionally photographs of the students are included. On the school website there are images of students usually group photographs and we never identify the student's name, only class and year level where appropriate.

We invite local press to school events and they are expected to follow school policy on the publication of photographs of students. This consent form also acknowledges your permission when a story is about an individual achievement and information or photographs go to the press for publication.

If you have any concerns about how photographs of your child may be used by the school please let us know.

- I understand that photographic and/or video images of my child/children will only be used for documentary or promotional purposes by the school.
- I understand that if photographs and stories about individual children are to be published in the press parental consent in addition to the signed form will be sought.,
- I acknowledge and agree that ownership of any photographic, video, audio or any other form of electronic recording will be retained by Ruskin Park Primary School.
